**2025 Dual Vision: Art Through Different Eyes**  
**Rules and Guidelines for Guild Members**  
Updated 1/26/25

Here are the governing Rules and Guidelines, as well as key dates. By participating in Dual Vision, you acknowledge these Rules and Guidelines and agree to comply with them.

**Photo Selection—May 9, 2025, 10:00 a.m. to noon**

- We will **select our photos** at the **May 9** Photo Selection at **The Artisans Village's Livery Studio** located at **109 E. Marion Street, Eatonton between 10:00 and noon**. First come, first served. Please select no more than 2 photos and please take only photos from which you will create work. If you take a photo and do not use it, no one else will be able to create art inspired by that photo. Each photo can only be selected by one artist.
- If you are a Guild member photographer and want to offer photos at the Photo Selection, please let Linda Foster ([lbfooster@outlook.com](mailto:lbfooster@outlook.com)) know and bring your photos to the Selection on May 9. If any of your photos are chosen, they will be taken away by the artists that day. They will be returned to you in late August. You will be obligated to provide a matted 8x10 copy of the photo for the September reveal and the reception/exhibition in Barrel and the Gallery. You will be sent the 2025 Photographers' Rules and Guidelines and must comply with those, also.
- Photographers grant use of their photo(s) only to the Guild Member who selects them and only for purposes of creating art for Dual Vision and any subsequent display or sale of that specific piece of art. Unless the Guild Member obtains permission from the photographer, the Guild Member cannot use the photo(s) for creating additional art pieces or any other purpose.
- Please take good care of the photo(s) you select. **You must return that photo to the photographer by August 31, so they can prepare it for the Reveal and Reception.** If you are worried that you will damage the photo, talk to the photographer about getting another copy. You will be supplied by email with contact information for the photographer(s) whose photo(s) you select. Please communicate with them.
- If you are unable to attend the Photo Selection meeting and still want to participate, please let us know. We will have a list of photographers who are willing to work with you. We strongly recommend that you attend the May 9 Selection meeting for the best range of choices. If you choose a photo after Selection day, please let Linda Foster ([lbfooster@outlook.com](mailto:lbfooster@outlook.com)) know as soon as possible so our records are complete.
