

## Call for Artists:

The Artisans Village is once again organizing a special group exhibit called "Gifts from the HeART" for the Holiday Gift-Giving season. **The theme and design of this exhibit is centered on fine artwork that can be gifted during the holiday season.** Artwork should be unique, reasonably priced at \$100 or less, and designed with gift giving in mind. We are looking for both 2D and 3D submissions in any medium that can be reasonably sold for \$100 or less. Pieces do NOT need to be holiday or seasonal-themed for this exhibit. The work MUST be for sale and the Gallery's 35% commission will apply to any sale.

## Artwork Submission Details:

All works must be available through the entire run of the show. All work will be juried by the Gallery Jury Committee. Depending on the nature of the items they may place a limit on quantity due to space. All work must arrive at the gallery ready to display. All 2 dimensional work must be framed and wired, ready for hanging. Gallery wrap canvas, with properly finished sides is acceptable. No

sawtooth hangers. If a piece is not display-ready, it will be at the discretion of the Gallery Manager to include/remove from the show. Artists will be required to sign an exhibition agreement and provide a complete and detailed inventory list as well as any specific instructions for display. Inventory lists must include, but are not limited to: title of work, artist name, medium, size, and price.

## Entry & Application:

Visit the Holiday 2022 page on our website ([theartisansvillage.org/holiday\\_2022/](http://theartisansvillage.org/holiday_2022/)) to complete an online entry form and to upload images of the work you would like to enter. You may also complete a form at the gallery and drop off samples of the artwork for consideration during normal Gallery hours. Everyone will be contacted by phone or email after the Gallery Jury Committee has made a decision.
